

“Rural Arizona deserves effective, conservative representation at the State Capitol. In 2002, our state’s budget was \$5.3 Billion. By 2008, in just six short years, it had doubled. Janet Napolitano, aided by loyal Democrats and a handful of liberal Republicans like my opponent dug the hole we found ourselves in when I was first elected. The same hole that I and other fiscally conservative legislators are now getting us out of. To join this effort, please join my campaign team at AllenAZSenate.com.”

WHY IS BILL KONOPNICKI SPENDING \$100,000 CLAIMING TO BE A CONSERVATIVE?

LD5 Matchup offers GOP A Stark Choice

- From The Gila Courier

“...Konopnicki has a decidedly left-of-center voting record on pocketbook issues and issues that relate to secure borders and illegal immigration. If the race is about his big-spending ways or his penchant for open-borders positions, he loses.”
